STATEMENT OF REASONS

TREE PRESERVATION ORDER NO. 314

FAIRFIELD, MOORHOUSE, CARLISLE CA5 6EY

Section 197 of the Town and Country Planning Act 1990 places a duty on local planning authorities to ensure, whenever it is appropriate, adequate provision is made for the preservation of trees. The local authority may make a Tree Preservation Order where it appears to the authority that it is expedient in the interests of amenity.

Any tree protected by this Tree Preservation Order are clearly visible to the public and positively contribute to the amenity of the area.

T1 is a mature Sycamore Tree that provide a positive contribution to the surrounding area. The tree is a good specimen medium Sycamore tree showing good health and likely to reach normal longevity. The canopy can be seen from the public realm and provides amenity value that will contribute to the area for many years.

It is considered that the most appropriate way to protect the tree for the future is by means of a tree preservation order.
