

Seagulls

They are noisy
They are smelly
They attack people & pets
Their nests can block flues
& gutters

AND

**They could be nesting on a
roof near you SOON**

DON'T encourage seagulls in your area
By providing food for Seagulls you may attract
them to nest in your area, even perhaps on
your roof.

If so, you may experience any or all of the
following

Noise especially early in the morning

Odour from decaying food

Fouled washing, cars & gardens

Damage to property blocked gutters, blocked
flues

Swooping attacks when chicks have fallen to
the ground

DON'T FEED THEM
DON'T DROP LITTER
