Talkin Tarn Country Park

Talkin Tarn Country Park is close to the historic market town of Brampton, Cumbria. Covering 165 acres, the country park is made up of mature woodland and gentle meadows surrounding a glacial lake, with the stunning Pennine Hills as a backdrop.

Boathouse Tearoom & Gift Shop

Based in tranquil surroundings, the tearoom offers a beautiful view of the local landscape or sample the scenery from a cosy fireside. Delicious hot and cold food is served seven days a week using local and Fairtrade produce. The tearoom is also available for private functions with bespoke menus available. Give us a call to find out more or make a booking.

Walking

The Tarn has a 1.3 mile circular path that is ideal for a gentle stroll. This path is hard-surfaced and accessible to all. There are also three way marked trails of varying lengths: 1.5km, 2.5km, 3.5km, starting from the car park and leading into woods and fields – see map overleaf.

Water Sports

Either bring your own boat and pay a day launch fee or join a local club based at the site for rowing, sailing and model boating. Showers, including facilities for disabled users, are also available. Due to the increasing popularity of open water swimming, it is now possible to take a dip in the tarn (experienced swimmers only). The swimming season is between 1 April – 1 October. All swimmers must be registered, competent and experienced. Please see our website for details.

Fishing

Day permits can be purchased in the Tearoom.

Volunteering

Carlisle Countryside Volunteer Team visit Talkin Tarn once a month to carry out conservation and maintenance tasks. To join in and find out more visit www.carlisle.gov.uk/greenspaces

Wildlife

Waterside plants and grasses offer a safe habitat to the common blue damselfly, the symbol of Talkin Tarn. Other wildlife includes: otter, badger, fox and roe deer. Red squirrels use the feeding area next to the tearoom along with nuthatches and greater spotted woodpeckers.

Birds such as garden warbler, pied flycatcher and redstart arrive in summer to feed on the rich insect life. In winter, migrant geese and waterfowl flock to the open water to feed and roost in safety.

Log Cabin/Meeting Room

Situated in the main visitor area, the cabin is available to hire for events including meetings, training courses, family parties and weddings. It is fully accessible and has parking close by. It is well equipped with tables, chairs, toilets and a small kitchen area and can seat up to 30 people. Catering for functions can be provided by the Boathouse Tearoom.

Log Cabin/M eeting Room

Situated in the main visitor area, the cabin is available to hire for events including meetings, training courses, family parties and weddings. It is fully accessible and has parking close by. It is well equipped with tables, chairs, toilets and a small kitchen area and can seat up to 30 people. Catering for functions can be provided by the Boathouse Tearoom.

Sustainability

Talkin Tarn has a strong environmental ethos with energy efficiency at the core. Rainwater flushing toilets, a wind turbine, photovoltaic cells, and air-source under floor heating are just some of the environmentally friendly features.

Formation of The Tarn

Talkin Tarn is a kettle-hole lake, formed by the immense force of glaciers 18,000 years ago. Moving ice scoured and carved the landscape leaving glacial sand hills and a natural bowl which filled with water as huge blocks of ice melted.
