STATEMENT OF REASONS

TREE PRESERVATION ORDER NO. 316

BROADFIELD, CARLETON, CARLISLE CA1 3DZ

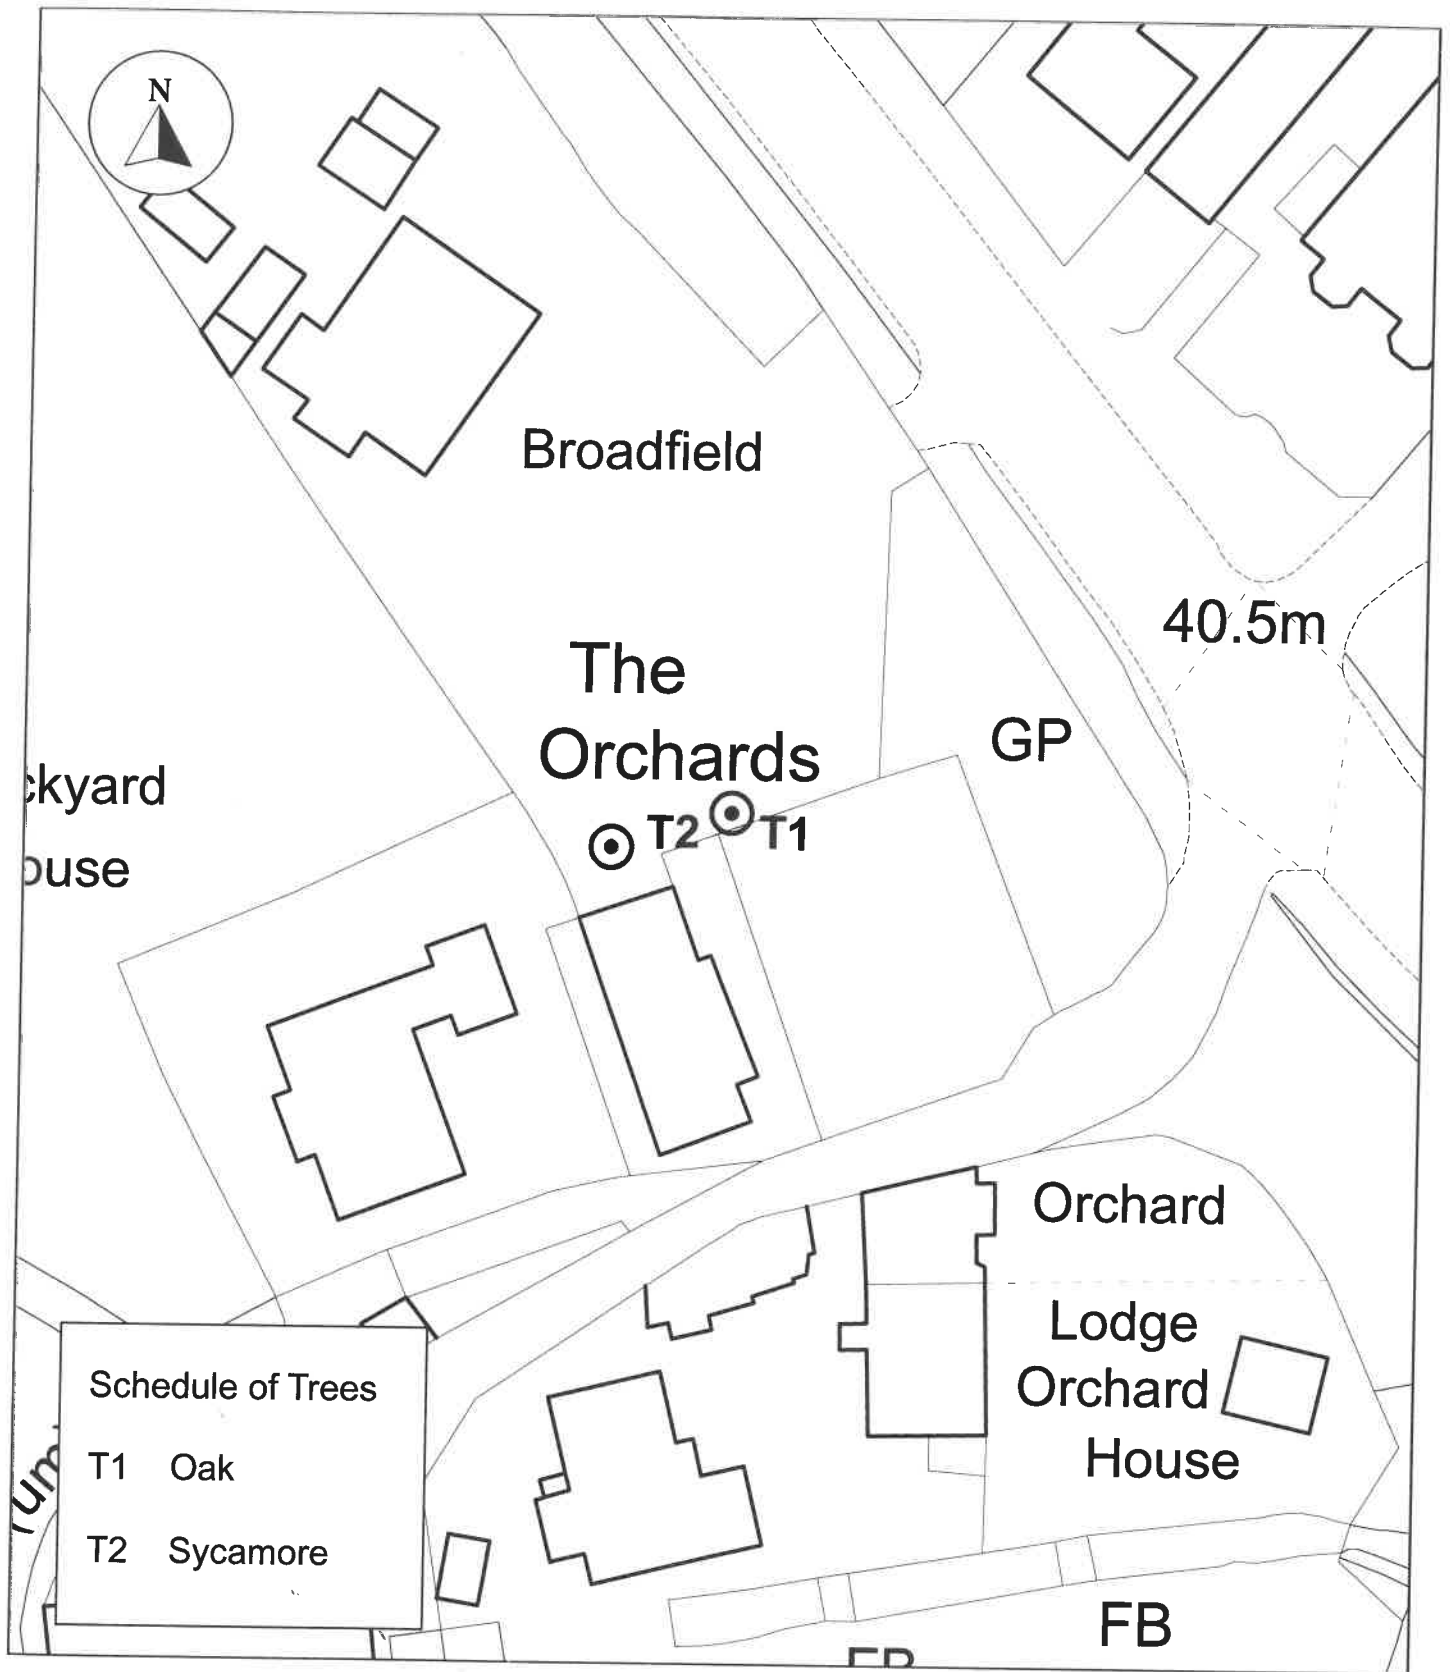

Section 197 of the Town and Country Planning Act 1990 places a duty on local planning authorities to ensure, whenever it is appropriate, adequate provision is made for the preservation of trees. The local authority may make a Tree Preservation Order where it appears to the authority that it is expedient in the interests of amenity.

Any tree protected by this Tree Preservation Order are clearly visible to the public and positively contribute to the amenity of the area.

T1 is a mature Oak tree and T2 is a mature Sycamore tree. Both trees provide a positive contribution to the surrounding area. The trees show good health and likely to reach normal longevity. The canopies can be seen from the public realm and provide important amenity value along the A6 entering and exiting Carlisle.

It is considered that the most appropriate way to protect the trees for the future is by means of a tree preservation order.
