STATEMENT OF REASONS

TREE PRESERVATION ORDER NO. 320

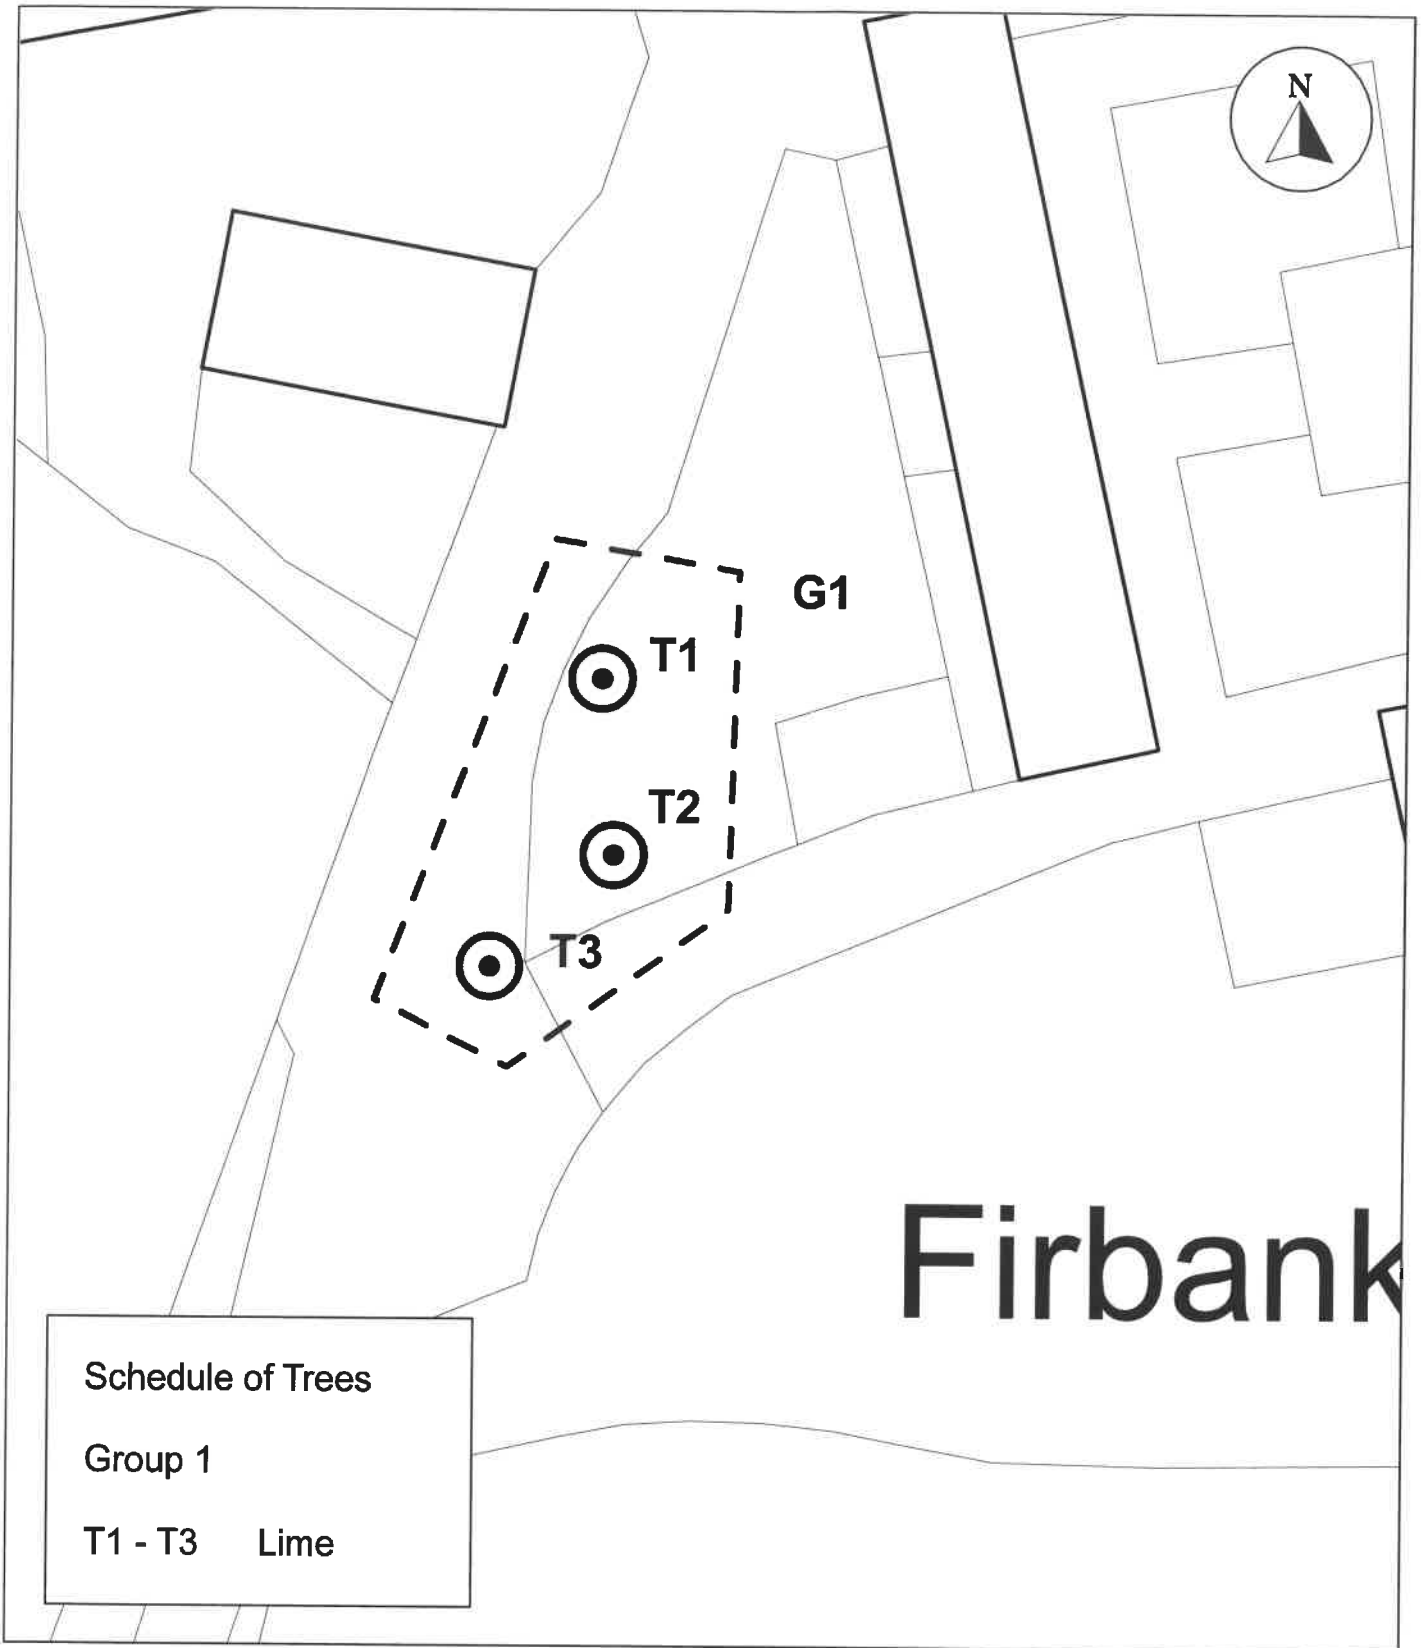

Land at FIRBANK, WESTLINTON CA6 6AQ

Section 197 of the Town and Country Planning Act 1990 places a duty on local planning authorities to ensure, whenever it is appropriate, adequate provision is made for the preservation of trees. The local authority may make a Tree Preservation Order where it appears to the authority that it is expedient in the interests of amenity.

Any tree protected by this Tree Preservation Order are clearly visible to the public and positively contribute to the amenity of the area.

The three Lime trees on site are mature trees showing good health and likely to reach normal longevity. They complement each other as a small group and provide a positive contribution to the surrounding area. The canopies can be seen from the single two-lane carriageway travelling west from A7.

It is considered that the most appropriate way to protect the trees for the future is by means of a tree preservation order.
